

together

we make a stronger,
more inclusive community

Annual Report 2020
for the 12 months ending 8/31/20

Our Mission:

To provide exceptional services to ensure that all people with disabilities or special needs, and their families, have equal opportunities to live, learn, work and play in their community.

Dear Easterseals Friends,

Transitioning to the role of President & CEO of Easterseals NH, ME & VT over the past year has been challenging and rewarding. While it has been quite a year, one that none of us will ever forget, I am confident that the past year has made Easterseals NH a stronger organization.

As I look back at the past 12 months, two things stand out: first, that Easterseals NH is blessed with the most dedicated staff. We simply have the best employees, from our administrative staff who work behind the scenes to our front-line direct care support staff. They are devoted, passionate, caring, resourceful, creative, and innovative individuals, who even in the most challenging times, go above and beyond for our clients and the community! And second, we could not accomplish all that we have, and will continue to accomplish, without our community. Thank you to our volunteers, including our dedicated Board of Directors, generous donors, and community partners. We are so blessed to have your support as we continue to serve those in our community most in need.

I'm excited to let you know that over the next few months, the Easterseals NH, ME & VT Leadership Team, along with our Board of Directors, will be kicking off a strategic planning project that will move our three affiliates into the future. The project will do a deep dive into each program, set benchmarks, and enhance services to continue serving our community and filling gaps.

Supporting this strategic plan will be a team of more than 1,600 staff dedicated to carrying out our mission of changing the way the world defines and views people with disabilities and special needs by helping them live, learn, work, and play in their communities. As you will see at the end of this Annual Report, the staff embody what it means to be superheroes! Their passion and dedication to this organization allow us to serve more than 25,000 individuals yearly.

As we look to the future at Easterseals NH, ME & VT, we remain committed to making a profound, positive difference in people's lives. We are grateful to our donors and supporters who believe in and support the life-changing work we do and the superheroes who do it.

Simply put, we can't thank you enough.

Be well,

Our Programs

Staff, clients and their families share what Easterseals means to them

Autism Services

The work I do at Easterseals is my purpose in life. I've always loved being around kids and helping people. I have been working in the Autism program for over four years and I can't imagine myself doing any other job! I look forward to coming in to work each and every day.

- Amanda, Easterseals staff member

Child Development Centers

Easterseals is a chance to help shape little minds!

- Heidi, Easterseals staff member

Substance Use Treatment Services

Farnum means family. Farnum means realizing I was never broken. Farnum means learning to love and forgive myself. Farnum means thought awareness and constant growth. But most importantly, Farnum means that I get a second chance at life. A chance that I will never take for granted!

- Terril, Farnum client

Transportation Services

Easterseals means making sure the parents are comfortable and that their children are safe and loved.

- Gigi, Special Transportation Services Monitor

Camping & Recreation

I like going to camp because I meet different people from around the states. I love to do different activities. I love making new friends, walking around the lake, and I like doing arts and crafts or painting.

- Krystal, Camp Sno-Mo Camper

Military & Veterans Services

I was homeless in a transitional housing when Leslie became my Care Coordinator, she went above and beyond. If it was not for her I would have been lost and homeless again.

- Dan, Military & Veterans Services client

Our Programs

Staff, clients and their families share what Easterseals means to them

Workforce Development

Youth Transitional Services stands for a second chance at life. It is also a second family bringing hope and comfort that your adult skills will be ok. I learn how to be more independent and learn to grow and they give me wings to fly.

- Seth, Youth Transitional Services client

Senior Services

Easterseals to me means continuing to do the things I love to do and finding new hobbies too.

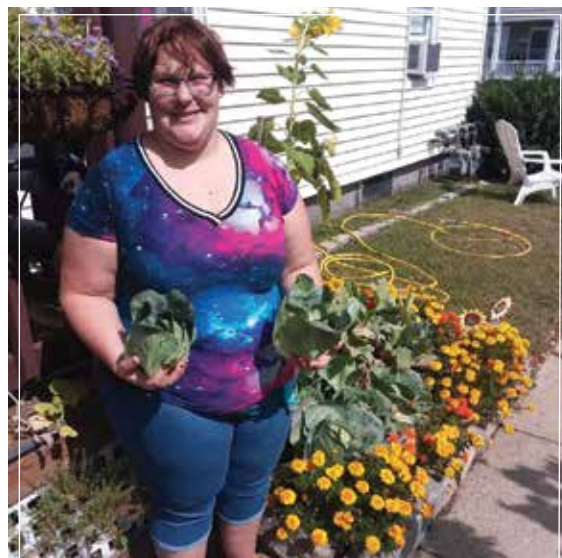

- Roe, Senior Services client

Residential & Educational Services

Easterseals means help, support, assistance and most of all family. They are truly an extended family who are there with all of the skills needed to nurture, guide, and teach the skills needed to be a successful individual. Their expertise is priceless.

- Lisa, mother of Noah, a Residential & Educational Services client

Community Based Services

Easterseals has helped me to have a healthy and happy life. I have difficulties that would prevent me from existing in a normal place. Easterseals provides me with a safe and happy place to live while helping me to grow and make good decisions. I could not live or face the world without Easterseals. - Cindy, Community Based Services client

Early Supports & Services

Easterseals means so much to our family. I would have never thought we would be where we are at with Julian's speech in just 8 months. We are now able to communicate and fully understand what he wants. Every day, Julian is saying new words. We wouldn't be where we are without Easterseals and Brenda. - Kelsie, mother of Julian, an Early Supports & Services client
