Our Programs

Early Supports & Services (Early Intervention)

Family-centered physical, occupational, and speech therapy services provided one-on-one to children from birth to age three in a child's home, daycare, or other natural setting.

Autism Services

Partnering with families of children ages 18 months to five years to provide one-on-one applied behavior analysis (ABA) therapy focused on improving communication, social and play skills, and self-care. Services are offered in the home, school, clinic, or another community setting.

Child Development Centers (Child Care)

Affordable, inclusive, and accredited child care for children of all abilities from six weeks to five years of age at our centers in Manchester. Infant, toddler, mixed-age, pre-school, and pre-k programs.

Camping & Recreation (Camp Sno-Mo)

Residential summer camp for youth featuring water sports, team sports, hiking, archery, arts and crafts, and more at our fully accessible location in New Hampshire's Lakes Region.

Residential & Educational Services

Special education and therapeutic services for children and youth ages 8 to 21. Services range from intensive-level care in residential settings to support for individuals at home or in their community.

Community-Based Services

Connecting adults who have intellectual disabilities or acquired brain injuries with their communities through meaningful activities and skill-building opportunities. Day and residential programs available.

Workforce Development

Partnering with employers, schools, and other nonprofit and government agencies to assist teens and young adults in achieving goals of education, training, volunteering, and meaningful employment.

Substance Use Treatment (Farnum)

Our CARF-accredited, comprehensive alcohol and other drug rehab program for adults 18+ that offers detoxification, residential, medication-assisted treatment (MAT), outpatient, and telehealth services.

Military & Veterans Services

Free and confidential one-to-one care coordination services for veterans and service members. Emergency financial assistance is available through Veteran's Count, the program's fundraising arm.

Transportation Services

Accessible door-to-door transportation services for program participants, students, and seniors that help them stay independent and connected to the community. Passenger assistance available.

Senior Services

Programming that promotes better living while aging to individuals 65 and older. On-site Adult Day with peers in a caring and supportive environment. In-home Homemakers & Health Services offers one-to-one companionship, light housekeeping, nursing, hygiene, and wellness services.
