Aging with Dignity in Easterseals NH's Adult Day Program

Bob, an Adult Day Program participant, engages in a card game.

Easterseals New Hampshire's Adult Day Program in Manchester and Rochester, NH, offers a welcoming community where older adults can gather for social engagement, physical exercise, planned activities,

and health services during the day. The program features a variety of active sports, creative opportunities, exercise classes, and brain-healthy activities, along with integrated medical care to help participants remain active, engaged, and safe as they age.

Bob, an Adult Day Program participant, was isolated at home due to his inability to drive, but our Adult Day Program helped him make friends and find a community. Bob's story is not unique—80 percent of participants have reported reduced feelings of loneliness through our community engagement opportunities.

Register for Camp Sno-Mo Today!

We are excited to share that registration is now open for the 2025 season of **Camp Sno-Mo**, our nationally recognized camping and recreation program for youth and adults with disabilities!

Katie, a first-time Sno-Mo camper in 2024, had a great time exploring the various activities with her one-on-one support counselor. From hiking and swimming to horseback riding and arts and crafts, she enjoyed every moment. "She had a true camping experience, which is so important," Katie's mother, Carrie, shared.

This year, we are offering seven weeks of camping for ages 11-21 and two weeks for adults ages 21 and up. Our team is looking forward to another fun-filled summer of creating lifelong memories for our campers, just like we did for Katie!

Katie (L.) is embraced by a family member.
