Easterseals NH Military & Veterans Campus Ribbon Cutting

Last month, we celebrated the official opening of New Hampshire's first-ever **Military & Veterans Campus** in Franklin, NH, with nearly 1,000 Veterans, service members, families, dignitaries, and Easterseals NH friends and supporters coming together to mark the occasion!

With deep gratitude and pride, we honored the unwavering dedication of our military and first responders with a flyover by an Army National Guard Black Hawk helicopter, live music, guided tours of the campus, and an All-American BBQ.

The **Easterseals NH Military & Veterans Campus** is set on 15 acres and is dedicated to supporting those who serve through housing, services, and community resources. This milestone marks a significant step forward in realizing our long-term vision, setting the stage for future enhancements.

Joyful Connections Through Music

Easterseals NH Adult Day Manchester recently welcomed a vibrant and heartwarming visit from the Manchester Community Music School, in collaboration with **Easterseals NH Early Childhood Centers of Excellence (ECCE)**. The morning was filled with laughter, rhythm, and intergenerational connection as music brought participants of all ages together in a shared experience of joy.

"The older adults are so eager on Monday mornings for their time together with the children and the engaging music," said Sue Reynolds, Director of Adult Day Services. "For some, it is a highlight of their week. One of the participants asked me when the children were coming, as she loves to watch them dance and sing!" Make Charitable Giving a Part of Your Financial Plan

Claire Doval, a long-time supporter of Easterseals NH, says that donating contributions from her Individual Retirement Account (IRA) has offered her more flexibility for giving.

A consistent donor since 2016, Claire began supporting Easterseals NH because of the wide range of people who receive our services.

"You can give tax-free, and that's the incentive of being able to give to charitable organizations and save money as you do it," Claire explained. "I just feel like I'm doing a lot more to help the organizations, and it just makes me feel wonderful that I can do that."

Claire's financial advisor, Paul Pouliot, noted the tax-free giving advantages, allowing her to increase the amount she gives. Paul, a Private Wealth Advisor and affiliated with Ameriprise Financial Services LLC, in Bedford, NH is also a Marine Corps Veteran and proud supporter of Easterseals NH.
