Community Partnership Supports Housing Stability

We're honored to share that Maureen Beauregard, President & CEO of Easterseals NH & VT, recently served as keynote speaker at the Pinnacle Foundation's annual Winter Fundraiser at the Rex Theatre in Manchester, NH. The evening brought together community supporters for live music, hors d'oeuvres, and a silent auction.

We are grateful to the Pinnacle Foundation for selecting Easterseals NH as this year's beneficiary. Proceeds from the event support our Transitional Housing and Tenant-Based Rental Assistance programs, helping local families experiencing

homelessness secure stable housing and begin rebuilding their lives.

Expanding Programs and Services at the Military & Veterans Campus for Those Who Served

There's a lot happening at the Easterseals NH Military & Veterans Campus in Franklin. Veterans and their families can access weekly support hours, music therapy, legal clinics, and rotating Veterans Service Organizations offering guidance and resources.

Behavioral Health Services by Easterseals NH will also launch on Campus this spring, expanding support even further by offering substance use and mental health counseling. It's all part of creating a welcoming hub of connection, care, and opportunity.
